

K9 Exclusive Walks Ltd: Vaccination Checklist

To comply with my **London boarding licence** and **insurance**, please ensure your dog meets the following requirements before their stay.

Mandatory Vaccinations

DHP (The 3-Year Booster)

- **Codes:** DHP, DHPPi, DHP/Pi, or DA2PPP.
- **Covers:** Distemper, Hepatitis, and Parvovirus.
- **Validity:** Valid for **3 years**.

Leptospirosis (The Annual Booster)

- **Codes:** L4, Lepto 4, L2, Lepto 2, or Pi/L4.
- **Covers:** Bacterial infections spread by wildlife/rat urine.
- **Validity:** Valid for **1 year** only.

Kennel Cough (KC)

- **Codes:** KC, Bb/Pi, Intranasal KC, or Respira.
- **Requirement:** Highly recommended for all boarding dogs.
- **Validity:** Valid for **1 year**.

Parasite Treatments

- **Flea & Worming:** Your dog must be up to date with their regular vet-approved treatments.

Important Notes on Dates

- **Expiry Date:** The "Exp:" date from the vial sticker is the final day the vaccine is effective for use by the vet.
- **Calculations:** This date will be exactly 1 or 3 years from the date of the injection.
- **Stay Duration:** Vaccines must be valid for the **entire duration** of your dog's stay with me.

Required Action

- **Send Proof:** Please send a clear photo of the vaccination card **7 days before** arrival.
- **Cancellations:** I cannot legally board dogs with expired vaccinations. Failure to provide proof will result in the stay being cancelled to protect my licence and the health of the other dogs.
